.25" margin from page edge (color should bleed into	here)		color should "bleed" into this area
red lines are suggested minimum margins from cover edges			
.25" margin from cover edge (on all sides of cover)			
		spine	
full size height of finished cover (8'')			full size width of finished cover (5")
			.25" margin from cover edge (on all sides of cover)
	_		
			.25" margin from page edge (color should bleed into here)

5 x 8 cover

Spine width is determined by page count and paper weight please contact is for your exact spine width.

5x8 covers should be laid out on legal size paper.

blue lines are cover edges

green lines are suggested page margins

red lines
are bleeds
if a color
or image
extends off
the edge of
the cover,
it must reach
to this line
